

Start! You have been given your \$10 allowance. But, now you have to get it to the bank without spending it all!	You owe your sibling \$1 and they demand it back	Moore Home 	Get yelled at by neighbor to get off their lawn, lose \$1 while running	Dyer Home 	Shortcut! Go watch the trains go by!	You are \$2 overdue on your piano lessons, pay it up now	Ivy Morrison's House 
------------------------------------------------------------------------------------------------------------------	--------------------------------------------------	---------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------	--------------------------------------	----------------------------------------------------------	----------------------------------------------------------------------------------------------------------

Directions:

1. Every player gets 2 \$5 bills (to be changed into \$1s as needed)
2. All players start on the Start! Square (and the oldest player goes first)
3. Roll the dice, move that many squares and follow the direction on the square
 - a. If you land on a "Shortcut!" square, slide down the tracks/road to the next row down
 4. At the end of the game, the player who deposits the most cash wins!

McFarlane House 	You need a new lamp for your room. It cost \$2	Shortcut! You got to watch the fire trucks speed away	Jane Long's Boarding House 	You think you see a ghost in an old building, while running you lose \$1	Richmond Train Depot 	You find \$1 on the ground	Kochan House 
--------------------------------------------------------------------------------------------------------	------------------------------------------------	-------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	----------------------------	--------------------------------------------------------------------------------------------------

The church needs a new roof, so you donate \$2

St. John's UMC 	You are chased by a dog and lose \$1	Richmond City Hall 	You pay the \$1 to pay off your new shoes	Morton St. Merchant 	You find \$1 on the ground	Davis Bank 	You made it to the bank! Deposit all the money you have!
---------------------------------------------------------------------------------------------------------	--------------------------------------	-------------------------------------------------------------------------------------------------------------	-------------------------------------------	-------------------------------------------------------------------------------------------------------------	----------------------------	---------------------------------------------------------------------------------------------------	----------------------------------------------------------

City Hall used to be the Richmond Fire Station as well!
