

Start saving your pennies!

Organizations and groups with pennies adding up to \$100 or more will get their name permanently inscribed in the Dew Walkway! Every "Dew-drop" and penny counts.

The future DeWalt Heritage Center, to be housed in the restored Dew Plantation House at Kitty Hollow Park, will be an interactive museum focusing on local history.

The DeWalt Heritage Center will offer tours of the original plantation house where visitors can learn about the Dew family's instrumental role in shaping the area. They'll also learn about the crops that were grown and get an insider's look at the lifestyles of those who owned and worked the land where many modern homes now stand.
