ASSOCIATION

BENEFITTING THE FORT BEND MUSEUM

July 2017

Dear Friend,

We are delighted to invite you to be a part of Bites & Brews (B&B), our annual community event scheduled for Saturday, September 23 from 6-9 p.m. B&B is presented by the Fort Bend History Association (FBHA) to raise funds and awareness for its educational programs at the Fort Bend Museum.

Accredited by the American Alliance of Museums, FBHA not only operates the local history museum, but also runs the educational programs at the 480-acre George Ranch Historical Park, partners with the county to showcase the DeWalt Heritage Center in Missouri City and brings hands-on living history programs to school campuses and the community through its educational outreach program, the Texian Time Machine. Our programs are for persons of all ages and we need your help to ensure access to these great local cultural attractions. Please consider collaborating with us as a vendor to help this year's Bites & Brews to be the best one ever.

At B&B, guests will enjoy a night under the stars filled with live music, wine/spirit tastings and delicious cuisine samples from local eateries. As our partner, potential customers will view your brand fondly as a committed member of the community, which will continue to help you build brand loyalty and strengthen your customer base. To encourage guests to patronize your establishment, we will present each guest with a swag bag filled with discount coupons! Don't miss out on this great opportunity to help preserve the rich history of our great Fort Bend County!

If you would like to help us make this year's Bites & Brews the best one yet, please commit today. Your tax-deductible donation will help ensure that our Association will be able to educate future generations about the rich history of our community. To maximize brand exposure, all signed commitments are needed by Monday, August 7. Thank you for your consideration — and please feel free to contact me at zpoole@fbhistory.org or 281-342-1256 for more information!

Sincerely,

Zarinah K. Poole
