

This is the removable handle from the interior of the vault. This was the weapon that was found to have killed Robert Lee Kirby (the victim)

Case #: 215192115
Exhibit #: 2
Location found: next to the body of the victim
Investigating officer: Lee Sparks

Evidence Collected

Case #: 215192115

Exhibit #: 1, 3, 6

Location found: a-customer area

b- within the vault of the bank

c- near the body of the victim

Notes: These three bullets were

found within the bank. The victim

only had two bullet wounds, but

there were only three bullet

holes in the bank. All bullets were

from a .45, and had blood on them.

Investigating officer: Lee Sparks

Evidence Collected

Case #: 215192115

Exhibit #: 5

Location found: On the inside

of the side window of the Blue

Ridge State Bank

Notes: Many people touched

this window, but this print was

found in blood on the window

pane.

Investigating officer: Lee Sparks
