Your next cow token on the board landing on or passing a 3/8 space lets you start an extra turn.

If you land outside of a 3/8 space, you get...

Drive

Fort Bend History Association

Cattle

Pasture

Open Pasture

Railyard

Materials required:
- 1 board
- 1 regular dice
- 6 cow tokens per player

Directions:
1. Place all the cow tokens (6 for each player) in the "Open Pasture" space.
2. Roll the dice to determine who will go first. Lowest roll wins.
3. On the players turn, they will roll the dice and move one cow token the correct number of spaces.
4. First player to get all six of their cow tokens from the "Open Pasture" to the "Railyard" space wins.

Cow tokens can not jump over other cows. If you roll into another cow, the turn ends.

Each player starts off with one extra cow token, but they can add another cow token to the board once they pass a 3/8 space.
